Subject: February 2022 Stand-Alone Field-Test Instructions

To the Education Service Center and District Testing Coordinator Addressed:

The purpose of this communication is to inform Texas public school districts and open-enrollment charter schools of the availability of test instructions for the stand-alone field test required in February 2022.

The *February 2022 Stand-Alone Field-Test Instructions* are now available on the Texas Assessment website at: [Other Testing Resources \(texasassessment.gov\)](https://www.texasassessment.gov). The stand-alone field test will be administered online only and is scheduled for a two-week testing window, **February 7–18, 2022**. The field-test will include the following grades/subjects and courses.

Math	RLA	Science	Social Studies	Spanish
Grades 3–8	Grades 3–8	Grade 5	Grade 8	Grades 3–5 RLA only
Algebra I	English I	Grade 8	U.S. History	
	English II	Biology		

Local education agencies (LEAs) were notified in August 2021 of their required participation. If you have questions about your field-test assignments, contact Cambium at [Texas Testing Support](#). LEAs that are required to participate or volunteered to participate must have their students registered in the Test Information Distribution Engine (TIDE) by **Monday, January 31, 2022**. The last day to volunteer for the stand-alone field test was December 1, 2021.

If you have general questions about the stand-alone field test, contact TEA using the Student Assessment [Help Desk](#). If you have questions about accessing TIDE or need technical assistance, call Texas Testing Support at 833-601-8821.
